Accompanying the artist's exhibition ***John Stezaker: One on One*** at Tel Aviv Museum of Art, Tel Aviv (18 January–18 May 2013), this publication presents a new set of previously unseen collages produced by the artist between 2011–13.

Working with a range of imagery from the mass media and popular culture, Stezaker uses collage, excision, reconfiguration and adjustment to create profoundly unique works that challenge image and perception alike.

Over 40 full-colour illustrations, including ten images from 'The 3rd Person Archive' series (1976–present), alongside texts from the curator Irith Hadar, Dalit Matatyahu and a conversation between the artist, Christopher Gallois and Daniel F. Herrmann.
