An inspiring, kid-friendly biography of Kobe Bryant—perfect for ages 7 to 12

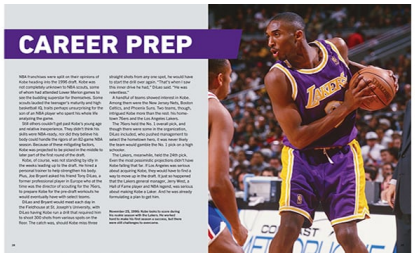

From practicing with his dad in Italy to winning five NBA championships with the Los Angeles Lakers, Kobe Bryant's journey was full of determination, focus, and heart. This engaging biography introduces young readers to his biggest moments—on and off the court—and shows how Kobe worked hard, stayed confident, and always pushed himself to be better.

Easy to follow and packed with inspiring takeaways, this book helps kids understand what made Kobe great—and how they can chase their own dreams, too.

Whether you're a young basketball fan or just love stories about people who never give up, *Kobe Bryant* is a great introduction to one of the game's biggest legends. This high-quality hardcover book will also make the perfect gift for the young hoopster in your life.

Tyler Blue is the author of *Stars of the NFL*, *Legends of the NFL*, and *Stars of World Tennis* in the *Abbeville Sports* series. A former college football player and avid sports fan, Blue has journalism degrees from the University of Dayton and Northwestern University. He lives in Silver Spring, Maryland, with his wife and four young children.
