- Kolenik is conquering the international world of design. He is famous for designing the Amsterdam Fletcher Hotel and known for his eco-chic style

Kolenik's style can be defined by the delicate, tasteful and surprising mix of natural and luxurious materials, resulting in a unique design. Together with a group of dedicated architects and designers, Kolenik is responsible for a variety of projects, corporate and private, product design and a furniture line. This book shows his top projects and vision on design. With his inspiring work, Kolenik has created a new vision on design.

Text in English and Dutch.

After having studied marketing, **Robert Kolenik** (32) took over his father's company in 2005 and established 'Kolenik Eco Chic Design'. His first assignment as a designer was for a cocktail bar in 2008. Despite the economic crisis, his reputation increased. Kolenik is co-founder of the 'Plastic Soup Foundation Junior', a project to educate children on the pollution of the environment and the oceans by means of plastic.
