The new line of products with bright fluorescent edges and Kraft covers are inspired by contemporary product design and fine art/printmaking. The Kraft brown cover is a natural look paper and eco-friendly choice, the fluorescent paper edges and endpapers pop to give a modern art surprise. Each notebook has its own surprise print pattern or image inside the first page. All artworks are based on the risograph photocopy printing technique made popular in the 1980s.

Discover the “Nature’s Palette” A5 Notebook – a blend of art and convenience, perfect for writers, doodlers, creatives, and students. With a trendy kraft flexible cover and neon accents on the page edges, it exudes vibrant energy. Inside, you’ll find a surprise: an exclusive risograph print of conifer tree art by indie illustrator Erin Fox, transporting you to a serene woodland. The notebook’s handy size fits between a bullet journal and A4, and the flexible kraft cover ensures durability. It houses 140 lined pages, inviting you to pen your thoughts, sketches, and ideas. A must-have for home, office, college, or high school, this “Nature’s Palette” notebook sparks creativity with its charming blend of style and functionality.
