- LA+ Imagination is the seventh book in the Interdisciplinary Journal of Landscape Architecture
- Issue seven is a compilation of work highlighting the winners of an open international design competition in which designers were asked to create a new island

Paradisiacal, utopian, dystopian, heterotopian – islands hold an especially enigmatic and beguiling place in our imagination. Issue 07 of *LA+ Journal* brings you the results of the *LA+ Imagination* open international design ideas competition, in which designers were asked to create a new island.
