- Published to accompany one of the most prestigious contemporary art prizes in the world

Established by the Association for the International Diffusion of French Art (ADIAF) and organised in partnership with the Centre Pompidou, this is one of the most prestigious contemporary art prizes in the world. This year's edition offers an insight into the art scene in France, with the opportunity to discover the unique creations of Mohamed Bourouissa, Clément Cogitore, Thu-Van Tran and Marie Voignier. The exhibition is a reflection of common concerns: rewriting the narrative in the midst of media saturation and applying new conditions to memory experiences.
