- Part of the *Baby Montessori* board book series
- Easy to recognise shapes of high contrast in black, white and red, the first three colours babies can perceive
- Suitable for ages: 0-12 months

Two more titles are added to our collection of *Baby Montessori* Board books, intended to develop the visual skills of the newborn babies. The shapes are easy to recognise, thanks to the high contrast of the images in black, white and red, the first three colours babies can perceive. From common household items to clothing pieces, these board books gather a selection of everyday objects and tools. Ages: 0 to 12 months

**Agnese Baruzzi** was born in 1980 and graduated in Graphic Design. She has worked as an illustrator and author since 2001. Her books that have been published several countries of the world.
