- Fully illustrated with 156 images and 52 plans

Since 1987, Eileen Joy Liebman and Fernando Villavecchia Obregón have focused on developing housing and measures to existing buildings. Over the years, they have gradually developed an oeuvre with the special qualities of reserve and “silence”. Projects include the careful renovation of the Casa Coderch Milá in Cadaqués (2017) and the Casa in Sant Llorenç (2014), inherently engaging with the rural architecture.

Text in English and German.
