- Spectacular mountain passes staged with the most beautiful sports cars and classics
- A unique combination of car book, photo volume and travel guide – with maps, tour information and insider tips
- Captivating photography, gripping writing and unmissable recommendations for routes and stopovers

This book breaks the boundaries of conventional car books: ***Limitless*** unites the fascination of extraordinary vehicles with the majestic landscapes of Norway. Here, spectacular fjord roads, deep-blue lakes and picturesque coastal villages meet the perfectly sculpted lines of supercars and classics.
Each route – from the Lofoten Islands and the legendary Atlantic Road to the hairpin bends of the Trollstigen – is presented in detail with maps, photo spots, and recommendations for hotels, restaurants and special stopovers, inviting readers to follow in its tracks.

The result is the ultimate experience: a unique interplay of visual pleasure, inspiring travel guide and captivating car book.
