<b>Name of series</b>	De aedibus
<b>Price</b>	£34.95

Laurent Lin, Alain Robbe and Rolf Seiler are the protagonists of the Geneva office founded in 1999. Since then, a dozen competition successes have resulted in several residential developments, a school building, an old people's home, commercial and administrative buildings, and individual homes. The designs are always pointedly critical and creative engagements with the building programme, the location and building regulations.

Text in German and French.
