- Exclusive insights into the world of horses and horsemanship
- From Royal Ascot to the Mongolian steppe — equestrian culture at its finest
- A beautifully illustrated tribute to the elegance of the equestrian world

The horse — mankind's trusted companion for thousands of years. This book invites readers into the captivating world of equestrian excellence, from renowned stud farms and prestigious competitions to extraordinary riding journeys and the people who have dedicated their lives to these remarkable animals. From Classical Dressage to Natural Horsemanship, from the elegance of Royal Ascot to the vast expanses of the Mongolian steppe, from traditional saddlers' workshops to luxurious equestrian retreats in Tuscany, it offers an inspiring exploration of horse culture around the globe.

A beautifully curated volume for everyone who shares a passion for the grace, heritage, and artistry of the equestrian world.

Created in collaboration with renowned riders, trainers, breeders, and equestrian experts, the texts in this book offer a unique perspective on the world of horses. Drawing on lifelong experience, deep knowledge, and a profound connection to these remarkable animals, the contributors share their insights into horsemanship, riding culture, and the places that define the equestrian world. Through concise and engaging essays, they reveal stories, traditions, and experiences that can only be gained in the saddle, at the stables, and through a life dedicated to horses.
