## Belle Australia

The diverse lifestyle, culture, and aesthetics of Los Angeles are beautifully captured in ***Los Angeles Interiors***. The city is renowned for its eclectic mix of styles, from Hollywood Regency to Mid-Century Modern, and from Bohemian Chic to Contemporary Minimalism. The homes are shot by well known interior photographers Tim Hirschmann and Ye Rin Mok. The influence of the sunny climate is reflected in light-coloured interiors with abundant natural lighting and airy layouts. As an epicentre of creativity and art, the book showcases homes where art, design, and self-expression take centre stage. From historic Spanish colonial influences to contemporary designs, the architectural diversity of LA comes to life. This book highlights this variety and offers a wealth of architectural inspiration.
