"Seeking some serious design inspo? Look no further: Los Angeles Interiors (Lannoo Publishers) is a new coffee table book chock-full of mesmerizing L.A. architecture and design." — **Modern Luxury Interiors**

"Bold and breathtaking, flamboyant, quirky, classically inclined or minimalist, the standouts include Tame Impala's Kevin Parker's fluoro-fuelled Spanish style home in Hollywood, storied properties previously belonging to legendary names such as Samuel Goldwyn as well as several Richard Neutra designs." — **Belle Australia**

The diverse lifestyle, culture, and aesthetics of Los Angeles are beautifully captured in ***Los Angeles Interiors***. The city is renowned for its eclectic mix of styles, from Hollywood Regency to Mid-Century Modern, and from Bohemian Chic to Contemporary Minimalism. The homes are shot by well known interior photographers Tim Hirschmann and Ye Rin Mok. The influence of the sunny climate is reflected in light-coloured interiors with abundant natural lighting and airy layouts. As an epicentre of creativity and art, the book showcases homes where art, design, and self-expression take centre stage. From historic Spanish colonial influences to contemporary designs, the architectural diversity of LA comes to life. This book highlights this variety and offers a wealth of architectural inspiration.
