- Works from French-American artist Louise Bourgeois' (1911–2010) entire career are presented in this publication

Refusing to be content with a single form of expression or confined by a single artistic movement, the French-American artist Louise Bourgeois (1911–2010) explored a variety of styles and techniques that few artists can rival.

Works from her entire career are presented in this publication, from her paintings and prints from the 1940s to the Cells she created in her final decades. These works enter into dialogue with artworks by Pablo Picasso, Carol Rama, Arshile Gorky, Louise Nevelson, Senga Nengudi, Alina Szapocznikow, Seni Awa Camara, Nan Goldin, Robert Gober and Anna Maria Maiolino, among others.

Text in English and Norwegian.
