- Funny, cute, chic - this book captures our feline friends in all their glory - and mischief!
- A beautifully illustrated ode to the cat in large format
- The perfect gift for any cat lover

Sacred animals to some civilisations, and the second most-searched for subject on Google, cats – whether street or aristocratic – have long been celebrated and obsessed over. It's time for these ultra-cute and particularly expressive furballs to have a book of their own. Rare breeds, celebrities, majestic, or mischievous all the cats featured in this book have been magnificently photographed in all their splendour. The best of the feline world gathered here – the ultimate stress-reliever!

Text in English and French.
