- Fully illustrated with approximately 70 images and 30 plans

Tom Lechner, an architect from Altenmarkt, Austria, has been producing contemporary architecture for over 20 years. His practice LP Architektur uses innovative methods to translate regional building traditions into new forms, materials and spaces – for which he is regularly awarded architecture and design prizes: for instance, for the Auferstehungshalle in Straß and the project Vivid Planet (including at the DEAWards 2023).

Text in English and German.
