- A new addition in the best-selling series of adult colouring books: all the charm of the enchanted world of magical creatures!
- Promotes mindfulness and provides a healthy meditative outlet

The allure of the enchanted world of magical creatures that inhabit woods and forests exerts an irresistible attraction at all ages: clear examples of this are the countless successful books and spectacular films that are released each year. Elves and fairies, nymphs, strange creatures, and mysterious animals skulk through the thickest vegetation, populating trees and bushes with sounds and whispers. The illustrations in this magical colouring book are an invitation to enter this world, to colour it according to one's own taste and mood, giving free rein to the imagination, spending hours of pleasant entertainment.
