This new Sketchbook from teNeues is a nice big format hard cover slim book of 50 pages of 135gsm white kraft paper. With exposed binding like our other notebook titles, this book will lay flat on your desk while sketching, drawing and colouring. For the first time, we have partnered with Cheltenham University's art department and awarded one illustrator the cover shot on our Sketchbook for the Fall collection. We are so proud to print Yve Slater's dynamic graphite drawing of a luxe car in a garage using contour style handwork. We think it is a great addition to our line and makes a perfect complement to the Sketchbook line-up.
