The MAS is a ground-breaking museum that tells the story of the people, the past, present and future of the city of Antwerp and the world. The MAS is much more than just a museum. It is a new city centre; a new meeting place where there is always something to see and do. *Mas is More* shows the unique collaboration between the MAS and chef Viki Geunes. Viki Geunes' acclaimed restaurant is moving from its current location into the MAS. This new location of the 't Zilte restaurant takes visitors to unprecedented heights, figuratively and literally! The plentiful height of the building affords breathtaking views of the medieval city, the Scheldt and the port. Viki Geunes moved his two-star restaurant 't Zilte from Mol to the MAS, where he now works his magic in Antwerp's highest restaurant. Conversations with the architect, the mayor, the alderman of culture and the museum director outline the importance of MAS for Antwerp and its surroundings. Furthermore, the transformation of restaurant 't Zilte Mol to MAS is extensively discussed and the historical significance of this exceptional location. Contents: MAS: More Adrenaline in the City; Interior design architect Bittorio Simoni creates a unique stage in 't Zilte for guests and chef; Koen van den Broek integrates art into MAS restaurant 't Zilte; Viki Geunes advises an impassioned brewer; Gustaaf Asaert From Nieuwstad to Eilandje; Viki Geunes, a nose for espresso.

Viki Geunes of restaurant 't Zilte Mol is already one of the greatest chefs of his generation. Passionate about his craft, his almost obsessive search for the perfection in all its details, he conjures a creative, generous, extremely contemporary and refined cuisine across the board without compromise.
