- Astonishing details of the paintings by Van Eyck in an attractively priced guide
- *The Adoration of the Mystic Lamb* is one of the world's most coveted masterpieces

Following *Masterpiece: Hieronymus Bosch*, **Masterpiece: Jan Van Eyck** shows the paintings of this Flemish master as never seen before. We can follow the restoration of the famous *Adoration of the Mystic Lamb* over the last five years. This book gives you access to it instantly. With amazing details and full-page images this is an attractively priced pocket-size guide. There is a commentary on the images by Till-Holger Borchert, the director of Musea Brugge. Text in English and Dutch.

Till-Holger Borchert specialises in the art of the Low Countries. For many years, he was head curator of the Groeningemuseum in Bruges. Now, he has been promoted to director of Musea Brugge.
