Megan Rapinoe captured global attention in the 2019 Women's World Cup, not only with her amazing skills – she won both the Golden Ball and the Golden Boot – but also with her strong commitment to social justice. ***Megan Rapinoe*** traces her rise to stardom, from her childhood in a football crazy Northern California family, to her outstanding college career at the University of Portland, to her co-captaincy of the dominant U.S. women's team. Like all the volumes in the best-selling *World Soccer Legends* series, this one is full of the exciting on-field shots, key stats, and little-known facts that true football fans love.
