- Lukas Meyer and Ira Piattini have produced an exciting, mature oeuvre that also represents a further development of the Ticino 'Tendenza'.

Lukas Meyer and Ira Piattini have been operating from their architectural office in Lamone near Lugano since 1996. By now, they have produced an exciting, mature oeuvre that also represents a further development of the Ticino 'Tendenza'. Their great sophistication and the constant integration of poetic aspects have contributed to buildings such as the headquarters of Credit Suisse in Lamone, an administrative and a residential building in Lugano, an administrative building in Monte Carasso and the so-called cinque case in Barbengo.

Text in English and German.
