- Flip and flop heads, tails, and bodies to make 1,000 crazy canines!

From the best-selling illustrator of *Flip-o-saurus* and *Flip-o-storic* comes another book with charming artwork and die-cut pages for mix-and-match fun – this time with dogs! *Mix-a-Mutt* lets you create wacky combinations of ten different breeds, including both popular pets like the Labrador Retriever and show dogs like the shaggy Komondor and the wrinkly Shar-Pei. Each flap features a fun fact about the pictured breed, and inside the front cover is a chart showing the relative size of the dogs featured, from the Yorkshire Terrier to the Great Dane.

Sara Ball is a prolific illustrator of children's books, including Abbeville's *Flip-o-saurus* and *Flip-o-storic*.
