- Charts the modern evolution of traditional hotel design

As our life styles are changing, we become more globally connected, the expectations we have for the destinations in which we stay will continually evolve. Successful hotels are the ones that surpass guests' expectations and create unforgettable experiences that are at once familiar and inspiring. The books collect some unique projects which represent a palette of how architects and designers have created new destinations for the modern business travellers, and charts the evolution of modern hotel design.

Text in English and Chinese.
