And easily forget about the magnificence around you — the fantastic mountain panorama — in order to focus on roads that combine the pleasure and practicality of a roller coaster ride.

This book presents over 200 breathtaking aerial images by *"Curves"* magazine photographer Stephen Bogner, capturing stunning mountain passes, hairpin turns, switchbacks, and scenic roads. For the past decade, Stephen Bogner has taken glorious photographs of mountain vistas from a helicopter that a driver focusing on the road cannot stop to appreciate. This book brings together the best images of the past 10 years in one beautifully produced, limited edition, slipcased retrospective, with 4 signed prints.
