In her newest book, ***Move and Work***, this self-proclaimed nomad, who searches around the world for inspiration, grants an exciting insight into her three homes that amaze with their limitless wealth of design ideas. She additionally provides an exclusive preview of her new showroom in Copenhagen for her design and interiors firm *Birger1962*. This creative studio is dedicated to design, interiors, and art and provides others with a source of inspiration on how to redecorate and rearrange their own homes and spaces.
