- A great collection of images and a celebration of male beauty

Photographer, stylist and fashion editor Ferry van der Nat has worked for numerous fashion magazine and brands. Under the name Mr Polaroid, Van der Nat began taking strong sculptural polaroids of male models. What started as a personal project evolved into a great collection of images and a celebration of male beauty. Mr Polaroid's first ever monograph contains over 200 of his best photographs. With contributions by Gert Jonkers (Fantastic Man) and Alan Prada (l'Uomo Vogue).

**Ferry van der Nat** is a well known figure in the Amsterdam fashion scene. As a photographer he operates under the name of Mr. Polaroid.
