

Montessori Activity Book
Text by Chiara Piroddi
Illustrated by Agnese Baruzzi

- Includes 8 pages of stickers

This series is a collection of texts for children which contains playing activities aimed to encouraging the development of the main cognitive skills following the Montessori method and its most typical topics. The contents follow a progressive complexity to challenge the children to complete various tasks with great results all by themselves. **My First Book About Telling Time** is dedicated to 3 to 4 year old children. It leads them through a series of concepts about the passing of time using a variety of fun games. The goal of the book is to stimulate the development of temporal coordinates through phase changes, physical changes and the evolution of moments throughout the day. Ages: 3 plus

Chiara Piroddi is a psychologist and expert in Neuropsychology, specialising in Cognitive-Evolutionary Psychotherapy. She graduated in Psychology at the University of Pavia in 2007. She completed her practical training at the Niguarda Hospital and she has written several books for White Star Kids. **Agnese Baruzzi** was born in 1980 and graduated in Graphic Design. She has worked as an illustrator and author since 2001, writing more than 40 children's books that have been published in Italy, the UK, Japan, Portugal, the US, France and South Korea. She is a long-standing collaborator of White Star, illustrating many books for young children.
