Create a keepsake you'll treasure with this delightful combination of memory book and toy. It's the perfect gift for new parents! Inside this adorable memory album, parents will gather and preserve all the details of their child's early years and the intense emotions they experience. On the outside, in the book cover, there's something special for baby: a tiny, soft plush teddy bear snuggle blanket, perfect in size and shape for newborns. When parents remove the toy, they can put a photo of their baby in its place – making this the ideal keepsake for the entire family.
