- Create a keepsake you'll treasure with this delightful combination of memory book and 5 finger puppets
- A perfect gift for new parents!

An appealing and practical album for the first three years of the newcomer, which offers the opportunity to collect and store everything related to this period of growth and discoveries. The album includes finger puppets to catch the attention of the children, to interact with them from an early stage. Special spaces for notes, photographs and memories to note down all the basic information about the early years of the children. Includes 5 finger puppets. Ages 0-3 years
