- Each book has a game proposal at the end, for children to play with their parents to earn awareness on their bodies
- Suitable for ages: 3 plus

A cute series thought for the littlest ones: through this funny board books children will learn a bit more about themselves and the parts of their bodies. The books include flaps to lift, fun texts and a very modern graphic layout. What are the different parts for? How do they move? Cute board books for children to understand how their bodies work. Each book has a game proposal at the end, for children to play with their parents to earn awareness on their bodies. Ages: 3 plus

Federica Nuccio and **Roberta Vottero** work together as one, and have done since 2006. They create illustrations and projects for children's books, interactive cd-rom and animation. They have worked with the following clients: Baloon Media (Bruxelles), Bk Books (London), DeAgostini, Ed. Capitello, Franklin Watts (Hachette), Gaia Edizioni, La Spiga (Eli), Pearson Italia, Pico (Focus), Raffaello, Rusconi, Ta-Chien Publishing (Taiwan). They organise courses for children in which they teach drawing and painting, which their own children even attend!
