- Build pre-reading skills
- Support vocabulary development
- Suitable for ages: 3-5

A game box of 100 illustrated cards to stimulate the phonological and pre-reading skills of 3 to 5 year olds. The set is divided into five categories (objects, professions, mode of transport, foods, and animals) with words of particular interest to young children. One side of each card features a word written in all caps, as well as in cursive, while the reverse side offers a visual representation of that word. Use the cards to teach recognition, challenge recall, or create stories! Ages 3-5

Maria Cristina Caselli, first researcher at the Istituto di Scienze e Tecnologie della Cognizione of the CNR in Rome, is the author of numerous publications. She teaches Developmental Psychopathology at the Free University Maria Ss. Assunta (LUMSA). Her research focuses on early language development and the relationship between communication and non-verbal cognition, in typical and atypical populations. **Giulia Quagli**, born in Fucecchio, works in Studio Fuffa with 3 other illustrators. She attended the Liceo Scientifico and then enrolled in the Academy of Fine Arts first and then at the International School of Comics in Florence.
