- Help Theo the Parrot make marvellous music—and teach the animals to play—by waving his magical baton across the page!
- Suitable for ages 4 - 6 years

Join Theo the Parrot as he creates his own animal orchestra! The fun begins when you remove the musician's baton from the cover and wave it over the illustrations in this interactive book. Then, you'll hear the sweet sounds of music coming from the pages—including a lion with a violin, a tiger on piano, a baboon and his flute, rhino banging a drum, and even a trumpet from the belly of a snake. In the end, all the creatures come together as one to play a perfect forest symphony. Ages 4-6
