- Part of the well-loved series Mad for Geography
- Eight pages full of stickers to use in the book!
- Explore different landscapes with over 50 pages of activities!

In the *Mad for Geography* activity-book series, apprentice geographers guide young readers as they explore the fundamental themes of geography – with one new edition exploring Natural Landscapes! Join these characters as they climb mountains, explore forests, cross desserts, and dive into oceans in *Natural Landscape*.

Over 50 pages of both simple and more complex activities, ensuring that children are engaged without becoming frustrated or bored. Ages 6 +

Paola Misesti was born in Como, Italy, yet she has lived in Zurich with her family since 2011. She is a pedagogist and has written and co-written many articles on pedagogy. **Agnese Baruzzi** graduated in graphic design and has worked as an illustrator and author since 2001. Her books have been published in various countries with great success.
