New Classic Residences is a celebration of timeless elegance and architectural ingenuity, presenting a carefully curated collection of twenty exceptional homes from around the globe. As the successor to Beta-Plus' highly acclaimed *Classic Residences* (2017), this new volume pushes the boundaries of design excellence, spotlighting the work of world-renowned architects and interior designers. Each of the 22 residences featured in this book embodies a harmonious balance of innovation and tradition, showcasing spaces that are both profoundly contemporary and deeply rooted in classic design principles. From serene countryside estates to sophisticated urban retreats, ***New Classic Residences*** takes readers on an inspiring journey through homes that elevate luxury to an art form. With breathtaking photography and insightful commentary, this volume offers an intimate look into the craftsmanship, creativity, and vision behind these architectural masterpieces. A source of inspiration for both design professionals and aficionados alike,***New Classic Residences*** redefines the meaning of timeless living for a modern world.
