- For over 25 years, the protagonists of Nomos have managed an office partnership at three locations in Switzerland, Portugal and Spain
- Above all, they have constructed residential buildings and estates
- Text in Spanish and French

Nomos is an association of architects based in Geneva, Lisbon and Madrid. They collaborate on projects of all scales, from furniture to master plans, with a special focus on the cultural context and the environment. Primarily using drawing to shape their ideas, they explore new ways of creating community through buildings that seek to transform constraints into opportunities. They approach each project with enthusiasm, care and curiosity, always striving for sustainable beauty.

Text in Spanish and French.
