- A comprehensive look at one of the fastest sailors in the world - Boris Herrmann - how he became what he is today
- With guest contributions by sailing greats such as Jochen Schümann, Giovanni Soldini, Pierre Casiraghi and Jochen Rieker
- New edition expanded and updated by 24 pages

Boris Herrmann is the superstar of the German pro-sailing-scene. He sailed around the world in the fastest time - just 47 days - and holds several records at sea.

In *Nonstop: Driven by the Sea*, you will learn everything about Boris Herrmann – the exceptional talent in regatta sailing. From the background of his career to his dedication to fighting climate change and his experiences in previous regattas to his biggest coup: to be part of the Vendée Globe, the toughest regatta on the seven seas. Of course, non-stop.

Text in English and German.
