In **Nordic Colours**, bestselling author Katrine Martensen-Larsen guides you through the ways of infusing your home with Nordic tones – a colour scheme of natural shades. From the transformative power of paint and wallpaper to the enchanting vitality of soft furnishings, she reveals how every element contributes to a harmonious home. This book is not just about applying colour; it is about creating moods that resonate with who we are and how we wish to feel. The inclusion of mood boards as a practical tool sets this guide apart, empowering you to visualize and curate your dreams. With clear instructions and inspiring examples, the author encourages readers to embark on a personal journey of decoration — inviting experimentation, self-discovery, and delight in the process.
