- A boy wakes up beside his beloved pet mutt for just another ordinary school day, but some surprises lie ahead!

A boy wakes up beside his beloved pet mutt for just another ordinary school day, but some surprises lie ahead! Here is one of Norman Rockwell's most popular works, paired with a rhyming text that's perfect for reading aloud or sharing with a grown-up. In classic Rockwell fashion, the almost two dozen pictures will elicit wry smiles of recognition, from young and old, at childhood's everyday pleasures. At the back of the book is a short biography of Rockwell, as well as a note by Chuck Marsh, who, as a young boy more than 65 years ago, posed for the unforgettable series of pictures.

**Will Lach** has written many children's books about art, music, and natural history. He lives in Brooklyn with his family.
