- A boy wakes up beside his beloved pet mutt for just another ordinary school day, but some surprises lie ahead!

A boy wakes up beside his beloved pet mutt for just another ordinary school day, but some surprises lie ahead! Here is one of Norman Rockwell's most popular works, paired with a rhyming text that's perfect for reading aloud or sharing with a grown-up. In classic Rockwell fashion, the almost two dozen pictures will elicit wry smiles of recognition, from young and old, at childhood's everyday pleasures. At the back of the book is a short biography of Rockwell, as well as a note by Chuck Marsh, who, as a young boy more than 65 years ago, posed for the unforgettable series of pictures.

Will Lach has written many children's books about art, music, and natural history. He lives in Brooklyn with his family.
