NYC Guide for Instagrammers is a one-of-a-kind guide to the Big Apple: hip and trendy, up-to-date, informative and playful. The book provides the reader with no less than a hundred scenic and impressive 'Instagrammable' spots in New York. Of course, some classics have been included – Brooklyn Bridge, Grand Central, Liberty Island, Central Park – but most of all, the reader will be introduced to hidden gems, known only to locals, and to 'new classics', relatively new landmarks on the verge of becoming some of the biggest attractions New York has to offer.

Silvie Bonne is a Belgian photographer currently living in New York with her husband and teenage son. She has lived in the middle of the rumble, namely Hell's Kitchen, and is currently residing in Queens, with a wonderful view of the Manhattan skyline. Every day, Silvie sets out to explore the concrete jungle, armed with a Nikon and an iPhone. And every day, the city manages to surprise her. Over and over again.
