- This new series of paint by number colouring books is beautifully illustrated by artist Daniel Margara

This new series of paint by number colouring books is beautifully illustrated by artist Daniel Margara. Choose from a variety of colour palettes ranging from neutral to warm or cool colours and bring the wild animals of the jungle and the stunning sea creatures come to life. Readers will enjoy following the colouring instructions and gain satisfaction from seeing their own finished version on the other side of the page. With intricate line drawings of all the animals you would expect to see in the jungle or under the sea, this activity book will doubtlessly prove to be extremely popular!

After studying Classics, **Daniele Margara**, graduated with a degree in Modern Literature from the University of East Piedmont (Universita del Piemonte Orientale). He has been working as an illustrator for many years and has been particularly inspired by the works of VCJ, Jim Phillips, Thomas Ott, Jonathan Bergeron, Ed Templeton, and many others close to European and American urban underground. He contributes to many magazines and independent publications and is actively involved in festivals related to DIY illustration.
