- Auditory stimuli are an essential part of how little ones explore the world. For that reason, this must-have series includes six sounds and a Spotify playlist to complement them!
- A new series that will certainly catch the attention of little ones who can press the buttons by themselves

Falling rain. Crashing ocean waves. Song birds. Buzzing bees. These white noise sound books offer a mindful and relaxing exploration that toddlers can engage in independently or with parents, grandparents, teachers or friends. Each book also contains a link to the Spotify playlist focused on the most relaxing sounds to continue the calming experience together.

Ages 3 plus.

**Francesca Sudano** is a director, animator, and illustrator. When she's not drawing, she can be found out in the woods, searching for wild plants, mushrooms, and ideas. She's passionate about funny and surreal stories. That's why her projects often focus on the oddities of nature and bizarre life experiences.
