- An inspirational book, celebrating the rose as the Queen of Flowers

On Roses brings an ode to the rose as the Queen of Flowers. In this inspirational book, Françoise Vandonink and Stefan Roosen – both Belgian floristry champions – bundle a wealth of exceptionally beautiful compositions with roses that accompany us on our journey through life. The birth of a child, a christening party, a first communion, an engagement party, a wedding, an anniversary, a funeral, Valentine's Day, Mother's Day and birthday parties are all bathed in fragrance and multi-coloured roses and petals. Text in English, French and Dutch.
