- A young architectural scene is developing in Milan, including onsitestudio with its protagonists Giancarlo Floridi and Angelo Lunati

A young architectural scene is developing in Milan, including Onsitestudio with its protagonists Giancarlo Floridi and Angelo Lunati. Their buildings are characterised by a strong integrative force, making them a valuable, coherent part of Milan's metropolitan fabric. *De aedibus international* is a series on contemporary, highly qualified European architects and architecture; an archive of carefully selected buildings and projects. Text in English and German.
