- Taxidermy as a unique and stunning art form
- ***Packshots*** presents exquisite images of wild animals with unparalleled attention to detail
- Includes in-depth interviews and insights into the creative process of Darwin, Sinke & Van Tongeren
- Second book by the successful duo, following *Our First Book*
- With a foreword by Nimi and Anton Corbijn

Discover the fascinating world of taxidermy in ***Packshots***, the second book by Darwin, Sinke & Van Tongeren. This breathtaking work introduces you to animals like never before, captured in masterful compositions that blur the line between nature and art, between life and death. The stunning images, showcasing the animals in all their beauty and strength, are complemented by exclusive interviews and in-depth insights into the authors' craft. ***Packshots*** is a work of art in itself, bringing the beauty of the wild to life in a truly unique way.

Since 2013, **Ferry van Tongeren** and **Jaap Sinke** started collaborating under the name; **Darwin, Sinke & van Tongeren**. Placing the name of Charles Darwin before their own is a tribute to the great naturalist and geologist. Darwin, Sinke & van Tongeren is dedicated to showing the beauty of nature in a baroque extravagant way.
