Size	300 mm x 250 mm
Pages	210 Pages
Illustrations	160 color
Name of series	Monographs
Price	£57.00

The Winterthur architect Peter Kunz is well known for his stringent residential buildings in development zones located between urbanity and nature. This book not only documents twelve of his buildings, but also creates an impressive dialogue between the view of the Winterthur photographer Claudia Luperto and a residential world that is enchanted by soft winter light. It is also an architect's congenial, thorough and reflective review of his buildings, which oscillate between reduction and a strong sense of materials and form.

Text in English and German.
