- Discover new perspectives on urban life through the lens of renowned street photographer Phil Penman
- An impressive homage to cities around the world - from New York to Paris to Tokyo - captured in emotional moments and extraordinary imagery
- A timeless work of street photography

Phil Penman, a master of photography and passionate chronicler of urban life, invites you on a fascinating journey of discovery through cities such as New York, Paris, Berlin, Tokyo and many more. Each picture tells its own story and allows the viewer to experience the cosmopolitan cities from a new perspective – be it dynamic scenes or thought-provoking moments. Let yourself be carried away by the genuine moments that reflect the soul of the metropolises.

UK-born, NY-based photographer **Phil Penman** has documented the rapid flux of New York City's streets for over 25 years. With clients ranging from *People Magazine* to *The Daily Telegraph*, he has photographed living legends including Jennifer Lopez and Bill Gates, and captured historical moments such as the September 11th Terrorist Attacks. Penman's distinctive style, versatility, and dedication to his craft have won him prestigious awards and exhibitions, and a distinction as one of the "52 Most Influential Street Photographers" alongside industry luminaries Henri Cartier-Bresson and Sebastião Salgado. His debut book *Street* launched as the Number 1 new release on Amazon for Street Photography, and has since become a best seller and been featured at MoMA in New York. A curated selection of images from the book were also exhibited in Harrods, London in the fall of 2020. The bestseller *New York Street Diaries* was published by teNeues in 2023.
