- In recent years, Philipp Brühwiler, the architect from Zug, has constructed several noteworthy buildings

In recent years, Philipp Brühwiler, the architect from Zug, has constructed several noteworthy buildings far away from any press coverage. The area at the foothills of the Alps requires that it be dealt with more intensively, and this is the case in Bauen in Hanglagen, (Building in Hillside Locations), a topic that is not always popular.

Text in English and German.
