- Discover Picasso the illustrator through 200 works
- Published to accompany an exhibition at the MUba Eugène Leroy de Tourcoing Museum from 19 October 2019 - 13 January 2020

This exhibition catalogue presents a meticulous selection of 'illustrated' works encompassing Picasso's entire career. Shining a light on this relatively unknown aspect of the artist are some 200 illustrated works as well as some of his major masterpieces, archival documents, films and extracts of recordings, which together capture the inventive diversity and wealth of his oeuvre and further underpins the major role Picasso played – and still plays to this day – in art history.
